Boca Dental and Braces

12-Location Commercial Photography

Prepared for Frankie Keirse, Dental Marketing Lab

April 2026

PROJECT OVERVIEW

I'm excited to put together a plan for all 12 Boca Dental and Boca Kids Dental locations across Las Vegas and Northern Nevada.

Each location gets the full treatment: exterior shots, every interior space, staff headshots, and real action moments. Everything is delivered in individual folders organized by location address, so nothing gets mixed between offices.

I've had the chance to shoot several Boca Dental locations already, and I'd love to build on that across the whole network.

WHAT YOU GET AT EACH LOCATION

Exterior Multiple views from various angles to showcase the building and signage.

Interior Every room, multiple angles. Waiting room, welcome desk, patient rooms, equipment, window views.

Staff Headshots Doctors, hygienists, front desk team. I recommend natural window light for a consistent, polished look across all locations.

Action Shots The real moments. Staff greeting patients, phone calls, cleanings, exams, ortho consultations. Whatever feels natural and is permitted.

PRICING

All prices include on-location shooting, culling, and professional editing.

ITEM	UNIT PRICE	SUBTOTAL
Full Location Package x 12 Exterior, all interior rooms, action shots, 40 edited images per location	\$750 / location	\$9,000
Staff Headshots All locations, flat project fee	Flat	\$750
Model Add-On (optional, per location)	\$150 / model	Optional
Reno/Sparks Travel Fee Flat rate, all 3 northern NV locations in one trip	Flat	\$1,000
Estimated Project Total Before optional models		\$10,750+

A note on headshots: Staff headshots are included as a flat project fee covering all locations. Branding-style headshots of doctors, hygienists, and front desk staff will be captured at each location.

A note on Reno/Sparks: Locations 10, 11, and 12 are within 4 miles of each other, so I can complete all three in a single trip. The \$1,000 travel fee covers me traveling to the Reno/Sparks area personally. I'm also researching local associate photographers who could cover these three locations, which would bring the travel fee to \$0. I'll confirm pricing for this portion before we schedule.

NEXT STEPS

To get things rolling, here's what I need from you:

1. Confirm the shot list and any location-specific requirements
2. Let me know if models are desired, and at how many locations
3. Share approximate doctor and hygienist counts per location so I can finalize headshot pricing
4. Give the green light on scheduling so I can start booking individual shoot dates

Thank you, Frankie. I loved working with the Boca Dental team and I'm excited to bring this across all 12 locations. Looking forward to making it happen.
